

HIPPIE chicks was created out of the need for a more ethnic variety to the food of Central Oklahoma. Hippie Chicks offers the basics and a whole lot more: American, Mexican, Cuban, Italian, Filipino, Thai and more.

HISTORY

Janna and I met and became friends during our freshman year in high school (*circa 1982*) in good old Norman. We grew up together and have always shared a passion for food and cooking. We come from big families and are used to cooking for a crowd.
